## Introduction

Sele Enat Mahiber (SEM), is an indigenous, not for profit, child focused, non-governmental organization founded in 2002 G.C, in Addis Ababa, Ethiopia. The mission of the organization is to alleviate the unbearable suffering and unnecessary loss of life of orphaned children by providing them with their basic needs while keeping them in the community where possible; arranging and connecting families for those who do not have close kin; and building the economic independence of women heads of households by providing financial support and loans for income generating schemes, counseling and training on small scale trades, enabling them to provide better future for their children. The objective of the organization is to be part of the ongoing effort to improve the life of vulnerable and underserved community members of Ethiopia, especially women and children.

There are different alternatives by which interested people can involve to support Sele Enat Mahiber. People can be part of this great vision by taking part in any of these alternatives.

### 1. One to one Child Sponsorship

The first alternative to support Sele Enat Mahiber and is by involving in one to one child sponsorship programs in which an individual or a family covers the average monthly expense of the children. This support scheme has four different categories based on the different child oriented programs. The monthly cost of children in different types of support through Sele Enat care & support program is stated as follows.

No.	Type of support	Monthly cost in USD	Monthly cost in Birr	Remark
1.	Children in the center – Healthy kids	100 USD	2,700 ETB	❖ Cost of each month is varying from month to month. So, the amount here is the average
2.	Children with Special Needs	330 USD	9,000 ETB	❖ In addition to the common costs, the medical cost and their diaper(adult size) make their cost higher

3.	Children in Group Home	200 USD	5,400 ETB	❖ They have additional cost of house rent and group mom cost.
4.	Children in the sponsorship program	30 USD	810 ETB	❖ The children are living in the community & the support vary from month to month because of school material, uniform, cloth ... support

## **2. Lunch or Dinner Programs & Birthdays**

This is another alternative to engage willing people in the support scheme. This alternative allow individuals or families to cover our lunch or dinner expense. The average expense of one meal is 4500.00 Eth Birr. In addition to lunch and dinner programs, volunteers can celebrate their children’s birthday in our compound with our children. The payment for birthday celebrations is 3500.00 Eth Birr. Sele Enat is in charge of facilitating lunches and birthday celebrations once the families pay the required amount of money.

## **3. Regular Salary Contribution**

One of the resource mobilization alternatives of Sele Enat Mahiber is networking with organizations to get regular monthly salary contribution from staff members. The partner organizations will deduct the agreed amount of regular donation and deposit to Sele Enat Mahiber’s account. This option helps Sele Enat to network with several organizations and get sustainable support simultaneously.

## **4. In Cash Donation**

Sele Enat Mahiber receives in cash support with different amounts beside the one to one sponsorship package. This alternative allows volunteers to donate different amounts of money. There is a pledge form prepared to mention the amount of money people like to donate and alternative bank accounts to donate conveniently.

## **5. In Kind Donation**

Sele Enat receives in kind donations in a transparent manner. People who are interested in in kind donations can bring different items that can be used for regular consumption. The list of the

items we consume monthly is attached here with. People can pick an item and amount and donate the items. Our highest needs are highlighted so that priority can be given to them.

### 6. Resource Mobilization Schemes

Sele Enat Mahiber works on different resource mobilization schemes that involve voluntary members. Volunteers can be part of this plan either by donating cash or products of their

companies or by taking part in the resource mobilization campaign. Volunteers can reach people and organizations who are in their circle of influence or social circles so as to have them donate for our organization. Volunteers who would like to involve in this activity can either come up with their own resource mobilization plan or execute the plan developed by the organization.

### **7. Donation Box Distribution**

People who own businesses that involve many people such as hotels, cafes, restaurants or schools can help out our organization by placing our donation box in their places so that people can learn about our organization and donate unlimited amount of cash at the same time. They can distribute fliers and car stickers, and also sale coupons simultaneously. This can serve our organization both as public relation and fund raising activity.

### **8. Art Work Donation**

People who are interested and talented with art can throw art exhibitions or donate art works for Sele Enat so as to raise income through auction. This art work donation and can be merged with other public relation or fund raising programs.

### **9. Event Organizing**

Volunteers can organize events that can serve as a public relation or resource mobilization mechanisms. The events can be planned in collaboration with Sele Enat or can be organized by the volunteers solely as far as the idea is not against the organization rules and principles.

### **10. Voluntary Service**

Interested people, both students and professionals can serve Sele Enat as volunteers. There are different alternatives by which volunteers can involve and make their own contribution regarding the vision of the organization. Voluntary activities are categorized among different sections and subsections. The first sections is called child related section having child care, educational support, psychosocial support, special needs and group home and foster care mentoring programs as sub- sections. The other sections are public relation, fund raising, system development, installation and maintenance, and women empowerment. There is a volunteers' club in Sele Enat Mahiber so as to coordinate and lead the voluntary activities. Hence, interested people can apply

to work as a volunteer and make their own contribution by sharing their time, knowledge and capacities.

### **11. Foster Care and Adoption Programs**

The other alternative to involve volunteers in the support program is being foster and adoptive parents. Keeping children in orphanages for long time have its own drawbacks that can affect the children both in their childhood and when they grow up to adults. Children need to grow up in family and community set ups to grow with a healthy mind set and psychosocial stability. Therefore, we encourage voluntary people to foster and adopt kids so as to provide them with love, care and support.
